

Alaska Radio Control Society Membership

The Alaska Radio Control Society (ARCS) was founded in 1957. We maintain flying sites in Anchorage and the Mat-Su Valley. Our paved field on Elmendorf AFB is open to all ARCS members. The club also maintains a mowed grass runway at Point MacKenzie for summer flying (the BIGGEST RC field in Alaska). Indoor flying is available during the winter at Teeland Middle School in Wasilla and Lumen Christi High School in Anchorage.

Monthly ARCS meetings are held at Bell's Nursery, 13700 Specking Ave. in Anchorage on the first Tuesday of each month at 7:30 PM. Anyone with an interest in R/C is welcome at the meetings. Come on out, we look forward to meeting you!
